GENERAL REQUIREMENTS

1. All display stands or structures must comply with any applicable County Building regulations.
2. Vendors shall not obstruct any public road or right-of-way while engaging in business.
3. A minimum twenty square foot (20 s.f.) area is required for each display stand.
4. Each display stand must have at least one trash can receptacle with a minimum height of three feet (3').
5. All display signs must be placed in areas that do not obstruct traffic or the public view.
6. Two (2) customer parking spaces must be provided for each display stand and one (1) space for every two hundred square feet (200 s.f.) or portion thereof for the designated display area.
7. Every vendor shall, at all times, prominently display the "Vendor's License" issued by the County Clerk's Office.

Site Plan Requirements for Temporary Site Specific Vendors

A site plan shall be drawn to scale. The property boundary dimensions shall be delineated along with all existing and proposed structures and buildings with dimensions and distances from all property lines and other structures. Bordering streets, driveways, parking areas, and signage, including dimensions, shall be indicated on the site plan.

By signing below, I affirm that all of the information provided to apply for a Vendor's License is true and correct and I agree to comply with Ordinance #72-90 and all Doña Ana County rules, regulations and Ordinances. Applicant's Signature: _____	Date: _____
