Holy Cross Retreat Center

Specially Made

Specially Made is an overnight retreat designed to celebrate the unique relationship of mothers and daughters.

Through prayer, the sharing of life stories, and faith experiences, we will reflect on the gift of life and being a mother, as well as appreciating the gift of having and being a daughter.

Our retreat facilitators, Kiley Lockett & Missy Giacomelli, are excited to share their story of intergenerational faith and how their mother/daughter relationship has been strengthened through ministry work.

Come as mother and daughter(s)!

(This retreat is geared toward mothers with daughters who are at least 16 years of age. If there is enough interest, a tract for mothers with younger daughters may be offered.)
