

The picture on the front is of the IHM Secular fraternity from El Paso when they made a retreat together. Above are three inquirers with their mentors from OLG fraternity in Las Cruces.

Consider trying out our new hermitage sometime, where you can have quiet time for prayer and rest and creativity!

St. Francis and Forming Community June 21-23, 2019

**Holy Cross
Retreat Center
Mesilla Park, NM**

When St. Francis of Assisi first encountered Christ in a special way, he often went off by himself to pray. Later, he said, "Christ gave me brothers," and the religious community was formed. Even later married and single persons wanted to share in his values and spirituality, so the Secular Franciscan fraternities evolved into another form of life. Most all people who love St. Francis sense the call to fraternal sharing in community and service as well. You are welcome to discover new ways to grow in faith and building a community of joy!
