The people at the time the Bible was written lived in an area with mountains and deserts, so these images are used frequently in Scripture. We will take time to review some of those passages and what they speak to us, then take some time outside hopefully to appreciate first hand the power of those images.

We will reflect on how important all creation is in our spirituality and how this local environment needs to be respected and cherished.

Come prepared to take a walk at Dripping Springs or somewhere where we can encounter God much as those who live in the Holy Land. There will be quiet time as well as time to talk. Fr. Tom Smith OFM Conv.
