

Pope Francis is calling for an ecological conversion, a change of heart and action that recognizes the essential dignity of all creation. This retreat helps us become ready to make specific changes in our lives that will respond to climate change and prepare our world for future generations.

Enjoy the renovated rooms at Holy Cross, and our beautiful, peaceful Chapels and grounds!

Consider trying out our hermitage sometime, where you can have quiet time for prayer and rest and creativity for a few days or up to a month!

Labyrinth, & also a rosary walk

*St. Francis of Assisi wrote the "Canticle of the Creatures" praising God for all aspects of creation. Come join with others to enhance our spiritual awareness of caring for the earth and all that lives around us.*
