

“With grace and cultivation, *eros* expands from romantic attraction toward lifelong devotion, from a twinge of emotional pity to courageous acts in pursuit of justice, from the early surges of empathy into the mature ability to recognize strangers, foreigners, and even enemies as ‘like us’— beloved children of God. “

James and Evelyn Whitehead

*During this retreat we will reflect on the divine gifts of “eros” and “grace” in deepening our ability to love.*

Consider trying out our hermitage sometime, where you can have quiet time for prayer and rest and creativity for a few days or up to a month!

Labyrinth and a rosary walk are also on our grounds.

During this weekend retreat, we will prayerfully consider “Holy Eros” and the “Grace” of God as we befriend more fully all we are as embodied-spiritual persons.

As we see that we are created from the heart of a passionate and compassionate God, we hopefully will receive more fully, and celebrate, the gifts of our “embodiment” for relationships and service for justice and charity.
