

Creation with **Clay Pottery** is a sensory-rich experience that engages both the mind and body in a harmonious dance of creation. From the rhythmic motion of wedging **clay** to the focused concentration required for shaping and molding, every aspect of pottery-making demands a tranquil heart and a steady hand.

Pottery has long been associated with spiritual practices, dating back to ancient civilizations where clay was revered as a sacred medium for creativity. Working with clay provides a pathway to deeper spiritual connection and a means of communing with God. .

Consider trying out one of our hermitages sometime, where you can have quiet time for prayer and rest and creativity for a few days or up to a month!

We have a Labyrinth and also a rosary walk for meditation.

“Lord, you are our Father, we are the clay and you our potter: we are all the work of your hand.” Isaiah 6:7

Our lives are shaped by the Lord, by our parents, and by many other people and aspects of our lives. This retreat provides an opportunity to not only talk about those topics, but experience the work of the clay, and even try it yourself if you would like. Come share in the images and how it can transform our faith and our lives. Fr. Tom
